"Academic Success Is Non-Negotiable"

Back to School Night

On Wednesday, 8/30 @ 5:00 P.M. we invite all family and community members to attend "Back To School Night" at Jack Francioni. Please meet in the MPR for a brief introduction to the school and to the staff. Classrooms will be open for 2 rotations, providing opportunities to learn about multiple classes. The High School will also have their Open House on Wednesday, 8/30, from 5:30 - 7:00. The later time will permit families with students enrolled in both schools to visit both.

Media

Library and computer lab schedules are being updated. We look forward to seeing all of the students using media rooms soon! Students will gain valuable 21st Century learning skills as they access books and technology. Teachers will find the updated schedule in their boxes. Teachers and students may contact Roxanne to use the media rooms at unscheduled times.

Classroom Expectations

All of the documents containing classroom expectations are now available on the Google Drive. Teachers create and submit their lesson plans, access schedules, complete note-taking forms during grade level meetings and access SUSD and JF Handbooks in one convenient location. Printed copies of all documents are also available.

Professional Learning Community Collaboration (PLC)

During collaboration, "teachers work together interdependently in order to impact their classroom practice in ways that will lead to better results for their students, for their team, and for their school."
