

Jack Francioni School WEEKLY BULLETIN

September 18- September 22, 2017

"Sentence frames can provide students with the language scaffolds that they need to write successfully." *Rigorous Reading* -Nancy Frey and Doug Fisher

Kudos to Mr. Vanoli and Mr. Guzman for bringing a team of Rotary Club members to give dictionaries to third graders in support of literacy.

Kudos to Elvia Espino for VOLUNTEERING to go above and beyond job expectations to meet the needs of the students in Ms. Denney's and Ms. Nill's classes

Kudos to Angela Freeman for quick thinking to bring all students off the yard during unexpected lightning storm

LCAP Goal - Proficiency for All

HMH Math training

One teacher at each grade level had the opportunity to attend a Math training this week. Teachers came back with strategies and ideas to share with their grade level teams. These strategies will be used through grade level collaboration and will help support student achievements. Many teachers already report implementing new ideas in class with students!

PBIS

Some of our sixth grade students have been stepping up and leading the effort to find Peaceful Playground games and taking the initiative to ask an adult to supervise and participate with them in the activities.

Teachers and pupil supervisors have been receptive to these efforts from the students.

LCAP Goal - Safety

MOT has been making improvements to ensure student safety at our school. One of our improvements was to place a fence to help parents and students filter through to our crosswalk. This week our fence has been completed! We have received positive feedback from parents and staff.

LCAP Goal Retaining Qualified Staff

All of the support providers for our new teachers have been provided an opportunity to visit the classrooms of their assigned developing teacher. JF office staff has taken advantage of the trainings and subs on site to provide release time.
