

# Jack Francioni School WEEKLY BULLETIN

October 2- October 5, 2017

"A successful lesson is rarely marked by a teacher getting a good intellectual workout at the front of the room. Push more and more of the cognitive work out to the students as soon as they are ready, with the understanding that the cognitive work must be on task, focused and productive." -Doug Lemov, *Teach Like a Champion*

**Kudos** Greg Quitevis - For always being available to support the teachers and staff with technological expertise and for coming to the rescue during the student of the month assembly to fix the speakers.

**Kudos** to 6<sup>th</sup> grade teachers for the informational 6<sup>th</sup> grade meeting.

**Kudos** to Fernando Sanchez for stepping up for a long term sub position.

## Volunteers

Parents volunteering in their students' classroom or as a school-wide volunteer are a welcome addition to our school environment. Ways to help at school include: Room Parent, Process book orders, Assist students with math reading and other academics, Help with special classroom events, and Attend special celebrations at school, such as Student of the Month Assemblies, Evening academic events, and performances. Please check with the classroom teacher before volunteering and check in at the office for a visitor pass. For safety and security reasons, parents without a visitor pass during the school day will be asked to return to the office to sign in and get one.

## LCAP Goal - Proficiency for All

We had our first Student of the Month Assembly this morning. Students were recognized by their teachers for their outstanding effort and achievement in academics and for positive social support of their peers in class. Parent attended to show their support with applause, smiles, pictures and balloons.

## Student Council Elections

13 Students in 5th and 6th grade wrote outstanding campaign speeches looking for support as officers for Student Council. They presented them orally to the student body on Wednesday before students voted. During the next few weeks, one of the outstanding speeches will be showcased in the Weekly. GREAT job, students! The officers are: President- Raul Vargas, Vice President- Iztel Figueroa, Treasurer- Vincent De Leon, Historian- Alyssa Rico

## Special Olympics

On Friday, Sept. 29th Mrs. Van Ruler's and Mrs. Cante's, and Ms. Chaney's students participated in a Special Olympic Event held in Seaside. Our students participated in a soccer tournament where they were able to show off their soccer moves. Way to go Lions!

## LCAP Goal Retaining Qualified Staff

During Tuesday's whole staff PD, teachers who had attended the District Fisher and Frey Professional Development Opportunity shared a tip or a "Take-Away" learned from the day. Biggest take-aways were the review of the GRR process, with the importance of the facilitated independent work (You Do Together) to assure 80% mastery before student independent work. Another noted takeaway was the importance of establishing and communicating the success criteria.

## LCAP Goal-Safety

We have had many compliments on the enhanced safety of our parking lot with the addition of the fence and the repainting of the curb.
