LCAP Goal- Proficiency For All

Teachers throughout the district spent the day at Jack Francioni engaged in hands-on activities to enhance math conversations and concepts. Participation was outstanding. There were many positive comments heard.

LCAP Goal- Retaining Qualified Staff

Marilyn Cline, Director of Human Resources, has plans to meet with all new teachers at Jack Francioni to hear their comments and their needs. One quote from a teacher new to our JF family is, "I am really happy here. I feel like a real part of a great team." -Jennifer We look forward to welcoming her back (All the way from Paso Robles)!

Volunteers

On Wednesday 12/6, Santa Claus visited JF School We had lots of student participation and lots of holiday cheer here at our school!

LCAP Goal- Safety

The School Site Council met on Thursday, 12/14. We had a very productive conversation regarding safety on campus. The Council voted for all parents to sign in at the office at all times when they are on site. This followed the PTO's earlier discussion and agreement to that policy. Additionally, SSC members discussed the installation of the new Solar panels and the impact on parking lot safety. All committed to helping to spread the word throughout the school community to use increased vigilance during the construction of the panels and to help keep the traffic flowing smoothly by refraining from parking in the designated drop-off zone.

LCAP Goal- Family and Community Involvement

We held our annual Winter Program on Wednesday, December 13 at 6:00 p.m. in the Multi Purpose room. Thank you to all 1st, 2nd and 3rd grade students for a wonderful winter program! We had many parents and family members attending. The audience truly enjoyed the performance! After the show we had wonderful comments about our program.
